

Think about a person in your life who you know/knew personally that has influenced or inspired you in a positive way. You will need to describe him/her to the class. You need to include the following:

- 1. Who the person is/was (relationship, how you met, etc.).**
- 2. Describe the person's physical characteristics (gender, height, body type..., glasses, always wears a hat, etc.).**
- 3. Describe the person's personality (generous, wise, encouraging, etc.).**
- 4. Give specific examples of something he/she did that illustrates how he/she inspired you (the time she gave her lunch to a homeless man on the street, the way he always encouraged me to do my best, etc.).**
- 5. Describe what you will do to carry on that person's legacy (I will try to be a generous person too, by..., I will encourage others who are going through a difficult time, etc.).**
