

Practice translation for the written part of the final.

Translate the following into ASL using correct word order and coded markers.

A long time ago in a forest far, far away lived a beautiful, young woman named Florina. She lived with her mean aunt who never let her leave the forest or meet any other human being. Florina's only friends were the animals whom she loved and cared for. Although she enjoyed her animal friends, she was lonely because she longed to have someone she could talk with, laugh with, and share her feelings with.

One day she was startled by a deep voice that said,

"Hello, who are you?"

"Me?" she replied in surprise.

"I don't see anyone else here. Do you?"

She laughed as she blushed and said, "My name is

Florina. Who are you?"

"If I tell you my name, will you spend the day with me?"

"If you tell me your name and why you're here, I'll consider it."
